A joyful modernist, Paulin’s low-slung pieces provided a new laid-back perspective on life and his forward-looking, eclectic and sculptural approach to furniture design instantly caught the mood of the swinging 60’s. The Pacha lounge chair is fully upholstered and has a painted wood base.

CLEANING AND MAINTENANCE

For cleaning the upholstered surface, first try to brush off the dirt gently. If this is not enough then vacuum the surface.

If further cleaning of the padding is needed, a stain remover is recommended. The cleaning has to be gentle and must always be tested on the most invisible area of the surface before the actual cleaning.

Avoid blotches by gentle, circular rubbing towards the stain. To avoid stains, quickly remove the dirt with a piece of absorbing household wipe and clean with water and colourless washing-up liquid.

Do not use the following products for the padding:

- Undiluted cleaning liquids.
- Bleach.
- Ammoniac.
- Soap for hard surfaces.

ENVIRONMENT

Parts can be separated and sorted for recycling.

Disposal of plastic type PP may be done with incineration of waste.
