Covent Bar Stool 65 cm

Arde Design Studio

Just like the original Covent Chair, the Covent Love Seater and Covent Bar Stool expertly balance the elements of soft and hard. The unique asymmetrical frame extends - both out and up, to bring new meaning to the series. While the Love Seater creates a warm cocoon for two, the Bar Stool focuses on lines inspired by Mondrian - with more than ample comfort on top. A series that is both graphic and organic, commanding and welcoming. The Covent Bar Stool is made to order in your choice of textile, ranging from price category A to D. Please contact us at info@newworks.dk for assistance. The pictured textile is Sørensen Leather Royal Nubuck Havanna 30258, Category E.
