## Missing Armchair

Regular Company

The Missing Chair appears as if a simple line drawing has sprung into life. Sensual yet strong, the soft curve of each line creates a whimsy that is hard to describe. Straight lines have been softened, allowing the timber seat and back to appear as if floating above the thin steel frame. What remains are the bare essentials in our own interpretation of the humble cafe chair: light, stackable and durable, completed by a highly comfortable silhouette. NB! As the chair comes packed in a box with two pieces, this product must be purchased as a set of two. The price shown is for one chair.

**Safety Precautions**

Please read the instructions carefully and retain them for future reference. New Works Aps is not responsible for any faults or damages caused by not following the instructions correctly. Do not modify the product in any way. Keep your furniture out of direct sunlight. Colors will fade and seams will weaken when exposed to direct sunlight. The furniture is only intended for indoor use.

**Cleaning & Maintenance**

Clean veneer and frame with a soft dampened cloth. For upholstery, follow the textile manufacturer's instructions for your chosen textile.
