## Pleat Pitcher

Omayra Maymó

The Pleat Pitcher adds to our growing collection of table top items that mix everyday functionality with a sculptural touch. Alongside Ripple and Aura, a polished stainless steel silhouette allows it to reflect its surroundings whilst maintaining a unique presence. With one simple pull on the cylindrical exterior, a perfect spout is formed. Whilst creating a highly functional piece, this action accentuates both the strength and simplicity of the Pleat Pitcher.

**Safety Precautions**

The Pleat Pitcher is carefully crafted and every item is unique. Differences in the expression of material and surface may occur, with smaller marks and minor deviations. The Pleat Pitcher holds 0,9 liters and it is dishwasher safe. We only recommend to use the Pitcher with cold beverages as the surface will get very hot.

**Cleaning & Maintenance**

We recommend hand washing the item to maintain it in a good condition. Do not use any abrasive agents/cleaning tools and strong cleaning agents such as household glass cleaner, white spirit or turpentine as this may damage the surface.
