

# Midnight Pendant

Resident Studio | 2016

The Midnight Pendant is a member of Residents signature 'Geometric Family' that brings the beauty of mathematical precision into innovative and functional feature lighting into both the home and commercial environments.

This bold and graphic feature pendant is suspended from discreet slim line wires, with a high quality LED light source that is elegantly diffused through recessed frosted acrylic.

Midnight works well as a single pendant, displayed in multiples or with other members of the geometric lighting family.
