Sphere Adventure Light

New Works Studio

Sphere is a sculptural luminous object that you can take with you everywhere you go. With its geometric crescent shape this portable light lends an air of mystery to its surroundings, while offering long-lasting utility through clever features. The lamp is water, dust, and impact-resistant and features a strap for holding or hanging the light. The curved shape rests comfortably in the hand and an integrated dimmer with memory function allows you to adjust the light. Move the sphere around the home as needed and take it out onto the balcony, patio, or on excursions to the forest, beach, or park. This alluring lamp is ideal for outdoor gatherings that last beyond dusk.
