Tembo Lounge Chair

Nørgaard & Kechayas

Functionally sitting between a lounge and an armchair, Tembo's extended arms invite you into its warm embrace. Its unique form allows the Tembo Lounge Chair to be social, while at the same time creating a space for reflection. The big, soft elephants ear exterior provides a striking form, while the choice of colours and textures can create a playful addition, or a bold statement piece. The Tembo Lounge Chair is made to order in your choice of textile, ranging from price category A to E. Please contact us at info@newworks.dk for assistance. Packshots show Kvadrat Hallingdal 180, Category C.
