EU Type Examination Certificate

No. CE 773281

Product Specification

Product Type:	Quarter Mask
Model Name:	TR2
Product code:	TR2-RSP01-03
Technical Specification:	Harmonized European Standard EN 140:1998

Product Description: The TR2 is a single size quarter mask, made of polycarbonate and silicone. The head harness is made of woven nylon and elastic. The head harness comes in two sizes: regular and small. There is a blank accessory port standard on the TR2 mask which allows for accessories to be added. The TR2 mask has a communication accessory which connects to the user's two-way radio via a passive microphone positioned inside the nosecup. The masks are designed for use with a single reusable and replaceable filter, Ventus model number P2-02. The filter P2-02 is subject of a separate CE Certificate.

EN 140 classification: Quarter mask for use with single filter

Certificate validity

The Certificate holder is responsible for ensuring that the Notified Body is advised of changes to any aspect of the overall process utilised in the manufacture of the product, failure to do so could invalidate the Certificate in respect of product manufactured following the introduction of such changes.

The validity of the Certificate for the products is also dependent on the maintenance of the EU Conformity to Type based on Internal Production Control plus supervised product checks at random intervals, Annex VII (Module C2) as referenced on BSI issued Certificate CE 773282.
