

  
**STEALTH**  
**SERIES 2**

The Stealth Series 2 concealable carrier system epitomises lightweight covert protection and sets the precedent for performance excellence.

Offering unparalleled levels of comfort, the Stealth Series 2 also features 4-way stretchable material at the side resulting in a vest that is tight fitting, but not restrictive.

This is an ultra-concealable vest that hugs the shape of the wearer and was designed to not be noticed.
