Take me to ADK

“ Wherever possible, I source materials to make the gnomes within the USA and will always begin my search with a small business. I believe that circulating dollars to enrich our own communities starts with those in business. With each gnome sold, at least 11 small businesses have been supported.

Shelly Straub, Owner

”

custom designed fabric printed in North Carolina

New Jersey noses

fannies are stuffed with organic weighted pellets

custom designed charms made in New York

logo buttons made in Colorado of sustainably sourced American hardwood

“ I love the way the owner puts her heart and soul into everything she makes. Great gnomes, great quality- made in America!

Carrie, New York ”

Styles and Colors for Every Occasion

The Gulfport Gnome™ offers collectible plush minimalist decor with a variety of styles, colors and custom charm options to add an adorable aesthetic appeal to your home living.

Made in the USA

We use locally sourced materials

We are 100% woman-owned

Adopt & Adventure

We've all heard about gnomes who live under bridges and in tree holes but the Gulfport Gnome was born to roam! They love to see and be seen!

The Gulfport Gnome thrives on new adventures and is a sucker for a great selfie!

Born in Gulfport, Florida with a desire to see the world, your Gulfport Gnome awaits adoption! Whether you're fishing, beaching, or hiking, kayaking, or simply sightseeing in your backyard - the Gulfport Gnome will help you company on your journey!
