PECANS

From our family to yours

It was in small-town Crenshaw, Mississippi where Billie Crenshaw made her first batch of now-famous Cinnamon Spiced Pecans. Today, Billie's daughter-in-law, Stacy, and granddaughter, Bailey, continue her legacy. Just like Billie taught them, they shake, bake, sugar, and spice batches of Southern pecans and other gourmet goodies to provide wonderful bundles of treats across the world. Billie's Pecans are always freshly prepared and carefully packaged so that they arrive rich, buttery, and fresh.
