

# ARTHRITIS PAIN KNEE, HAND, BACK, ARM, WRIST

The Bioptron Lamp

I am thrilled with the results of using my lamp.

These are the things I have successfully used my lamp for with my friends and family:

## Arthritis

Three fingers on the right hand refused to bend for more than five years. Now after a three-week treatment improved and now after 'topping up' occasionally complete flexibility of movement and no pain.

Toe pain stopped completely if topped up regularly.

## Severe pain in knees

1. Cause unknown - ameliorated by the use of lamp
2. Pain gone - No longer need a knee replacement
3. Knee pain caused by breaking of tendons during dislocation twenty years ago is kept under control with regular treatment

## Backache

Eased and sometimes stopped completely

## Long-term pain in arm

Has disappeared completely

## Wrist pain

Greatly reduced no longer thinking of carpal tunnel operation

Thank you! So many people have been helped with this machine and now look to it for regular use.
