

EYESIGHT, HEARING, PROSTATE PROBLEMS

Dear Bioptron team,

I am very well pleased with the results of treatments with The Bioptron healing light, spasmodically applied over about two months, my eyesight has improved to the point where I can now use the computer and read newspapers without needing glasses,

My hearing has returned to somewhere near normal, and best of all the prostate problems I had, which the doctors told me would need urgent surgery, followed by radiation and chemotherapy, all the problems have now miraculously disappeared like mist in the morning sun light.

I am living proof that the healing power of the Bioptron light is truly miraculous.

Yours Sincerely, R.L Joseph Waite
