

FEEL THE DIFFERENCE

George

The machine arrived safely, and the installation instructions were pretty good.

Most impressed. It took only a couple of hours to begin to feel the difference in our open plan living/dining/kitchen space/foyer/craft room space, (area about 60 m²), and with leaving the hall door open at night, with air flow from our HRV ventilation system moving in that direction, the effect also gets into our bedrooms, although a bit diluted.

Very clever machine – it even knew I had burnt the toast and quickly fired up to clear the air.

Thank you for the good product and the good service.

Cheers
Nicky & Geoff

The logo for Therapy Air features the brand name in a blue, sans-serif font. The word "Therapy" is on the left, and "Air" is on the right, with a registered trademark symbol (®) to its upper right. A blue swoosh underline is positioned beneath "Therapy". Above the "Air" portion, there are three blue dots of varying sizes, with a thin blue line curving upwards from the top of the "A" towards them.
