Dear Christine and Sam

**BIOPTRON LIGHT THERAPY SYSTEMS**

This is to thank you for volunteering your assistance to the Police in the aftermath of the Christchurch earthquake on 22 February 2011. We believe those who received your treatments were helped in many ways, but mostly in having more energy to cope with the extra hours and added stress of the circumstances.

We further thank Zepter International for the lights we are now able to continue using for our Canterbury Region. We hope to continue receiving the benefits we have experienced so far and look forward to continued assistance from yourselves and Feebee Newlands.

The Police in Christchurch will be under pressure for many months, possibly years before we are fully recovered from this disaster and we know our lights will aid us in this endeavour.

Thanks to you and your team.

D M Lawry  
Inspector  
Area Commander : Northern
