i DESCRIPTION

Lightweight power and clever design are yours with the Champion 2000-watt stackable inverter generator. Rely on the 80cc engine and enjoy a quiet 53 dBA for up to 11 hours of run time.

The Champion Power Equipment 82001I-E 2000-Watt Portable Inverter Generator weighs in at only 20 kg and is ideal for camping, powering items around the Campervan like lights or TV or providing backup for a few basics. This unit is not recommended for emergency home backup.

The easy to read Digital LED Display includes maintenance, low oil and receptacle status indicators and monitors power output, total run time, fuel level and fuel life.

Champion minimizes the hassle of refuelling in the dark with Fuel Fill Assist LED, a cleverly designed push-button LED built right into the handle to illuminate the petrol fill area.
