Sunpan, a leading global furniture and decor brand, has recently announced the appointment of Matthew Baker as the head of their newly constructed 200,000-square-foot warehouse facility in Baytown, TX. With over two decades of management experience acquired from working with renowned American companies, Baker's role will be instrumental in expanding **Sunpan's** presence in the United States.

Baker's positive attitude, unwavering dedication, and strong skillset make him an invaluable addition to the **Sunpan** team. As the Operations and Warehouse Manager for the Houston facility, he will oversee daily operations to ensure efficient and seamless fulfillment of all U.S. orders. The launch of the facility is scheduled for the upcoming weeks.

Sunpan's Vice President of Sales, Carl Lovett, expresses excitement about the impact Baker will have on their business operations, stating, "Having a warehouse that is local to a significant portion of our customers will revolutionize the way they shop and engage with **Sunpan**." This sentiment echoes the company's commitment to adapting and improving their services to meet customer needs effectively.

The opening of the Houston warehouse facility is a testament to **Sunpan's** dedication to providing superior standards and prioritizing customer satisfaction. The facility will enable a larger inventory, faster shipments, and the convenience of local order pickups for American customers. **Sunpan** anticipates releasing more information regarding the expansion in Houston, Texas throughout the year.

FAQ

[Privacy - Terms](#)
