TOP 5 TRENDS TO FEATHER YOUR FALL NEST

By: [Karl Lohnes](#)

Soon it will be time to settle back into the comforts of the great indoors for fall and winter. Why not add a few of fall's biggest trends to refresh your space? From retro to rustic, here are our top picks for feathering your nest this fall.

1. VINTAGE GROOVE

BRILLIANCE with charcoal frame, sunpan.com.

4. LEATHER

Altman leather DRESSER, sunpan.com.

Lookout for leather as it makes a comeback on the home decor scene. You'll see both upholstered and case-good furnishings being wrapped in luxe looking leather. Home accessories, such as lamps, trays and pillows, will introduce this look in smaller, more subtle ways.
