

White wine Chardonnay 2023

Great taste, great impact. Discover our delicious organic white wine and preserve the beauty of the oceans. For every bottle of wine, we remove and recycle 1kg of plastic and waste from rivers in Cambodia and Indonesia that flow into the ocean.

With a constant focus on sustainability and pure enjoyment, this wonderful wine was created with the Heinz Pfaffmann winery in the beautiful Palatinate region of Germany.

Palatinate, Germany

Chardonnay

Perfect for all Chardonnay lovers. A pleasant contemporary that impresses with fine aromas reminiscent of pineapple, honeydew melon and some citrus fruit. The acidity is present but not dominant. Goes well with many things, but is particularly good with grilled fish or white meat. Alcohol content: 12% alcohol. Ideal drinking temperature: 8-10 degrees.
