

Expert 210 Pro Pre-Out (A)

Code : QY285

Type : product

Attribute set : Amplifier

PRODUCT INFORMATION > OVERVIEW

GENERAL

Name	Expert 210 Pro Pre-Out (A)
Product Family	Amplifiers

COMMERCIALIZATION

Market Status	Active
---------------	--------

KEY PERFORMANCE

Total amplification power	2x210 Watts RMS under 6Ω
---------------------------	--------------------------

PRODUCT INFORMATION > TECH SPECS

WEIGHT & DIMENSIONS

Weight	10 kg
Dimension (Width x Height x Depth)	383 mm x 40 mm x 383 mm

SPECIFICATIONS

Audio technologies	ADH® Analog Digital Hybrid SAM® Speaker Active Matching Devialet AIR® - Proprietary Hi-Res streaming technology DAC MagicWire® RAM® Record Active Matching - Advanced MM/MC cartridges configurability
Finish/Color	Dark Chrome
Materials	Hand polished case, cut from a single block of aluminum Electrolytic chrome plating Pure copper bottom plate for optimal heat dissipation
Digital To Analog Converter	Devialet exclusive DAC with MagicWire®
Processor	Processor for each Expert Pro : 4x ARM Cortex-A9 1000 MB DDR3-1600 memory
Network	Wi-Fi (a/b/g/n 2.4GHz & 5GHz) Ethernet RJ-45 10/100/1000 Mbps (Gigabit)

Power supply	Universal 90-240Vac – 50/60Hz Patented single stage switching mode topology High power level: 600W continuous, 4000W peak High output with power factor correction (PFC)
Daisy chaining	Up to 8 units
Phono stage	MM/MC compatible

PERFORMANCE

Audio channels	Dual-mono
Accuracy in frequency response	DC-30kHz @ -0.1dB DC-95kHz @ -3dB
Amplification power	2x210 Watts RMS under 6Ω
Amplification performance	Distorsion at full power : 0.00025% THD+N Distorsion at 10 Watts : 0.0001% THD+N Thermal Distorsion : below measurement threshold
Output impedence	0.001 Ω
Signal to noise ratio	133 dB
Damplng factor	8000
Phase shift	0.2° at 20kHz 0.9° at 40kHz

FEATURES

Audio inputs	Up to 2x RCA stereo with adjustable sensitivity and MM/MC phono stage Up to 6x Digital coax S/PDIF 1x Optical TOSLINK S/PDIF 1x mini Optical TOSLINK S/PDIF 1x USB audio with bi-directionality and very low latency
Extra inputs	1x 3.5 mm bi-directional trigger connector (Trig In and Trig Out) 1x RS232 115200 bauds connector for home automation
Audio outputs	2x 4 mm Speaker banana plugs, fork connectors or stripped cables Compatible with all speakers from 8Ω to 2Ω Short-circuit protection Active filtering available
Connectivities	AirPlay Spotify Connect Bluetooth UPnP Roon Ready TOSLINK (Optical) USB audio Mini TOSLINK (Optical Jack) RCA Digital Coax Devialet AIR® - Proprietary Hi-Res streaming Phono Line
Audio codecs	SBC AAC
Remote	Yes
Audio formats	PCM/LPCM OGG Vorbis MP3 FLAC Apple Lossless WAV AAC WMA AIFF DSD64

PRODUCT INFORMATION > PACKAGING

GENERAL

What's in the box	2x Devialet Expert 140 Pro Expert Pro Remote (3 AAA batteries LR03 1,5V included) 1x Digital coaxial link cable for audio 1x Analog 3.5mm link cable for commands 2x SD cards 2x Power cables 2x Pairs of gloves 2x Microfibre cloths Documentation
-------------------	---

PRODUCT INFORMATION > WARRANTY & RETURN

MANUFACTURER WARRANTY

Product Warranty	2 years
------------------	---------

RETURN

Return policy	14 days
Return kit	<input checked="" type="checkbox"/>

PRODUCT INFORMATION > COMPLIANCE, SAFETY & CUSTOMS

ENVIRONMENTAL REQUIREMENTS

Max Operating temperature	40°C
Max Operating altitude	2000m
RoHS Reach (hazardous chemicals)	-

GLOBAL

Baseline	THE ULTIMATE AUDIOPHILE SYSTEM
Short description	2x210 Watts Under 6Ω The Expert 210 Pro combines two Expert 140 Pro units and lets you soar to whole new levels of performance, with a distortion rate divided by 2 and an increased power reserve for each channel.
Long description	The Expert 210 Pro Amplifier is the world's most advanced audiophile system, meant for music lovers in search of a refined and emotional listening experience. Designed to replace traditional Hi-Fi systems, Expert Pro delivers all the core elements of playback – preamp, amp, DAC, streamer, phono stage – in a single and ultra-compact unit. By rethinking sound reproduction at every turn, Devialet engineers have been able to achieve the best performance ever measured, at all power levels. With a precise and natural attack, explosive dynamics, naked silence and beautifully true timbre, the experience is breathtaking. Entirely configurable and upgradable, Expert Pro reveals your music's full potential, whatever the source or speakers.
