

**ANNOUNCEMENT
OCBC CYCLE NATIONAL CHAMPIONSHIPS 2022 (ROAD)
DATE CHANGES**

Tuesday, 14 June 2022

In the preparation and planning for the OCBC Cycle National Championship Road events, we have had to reach out to the major stakeholders including the Land Transport Authority (LTA) and Housing and Development Board (HDB) to inform them and request for approval for the road closure at Tanah Merah Coast Road (TMCR) – venue identified for three events viz. the Individual Time Trial (ITT), Road Race (RR) and Team Time Trial (TTT) which are scheduled to be held on 3 July, 17 July and 14 August respectively.

We were recently contacted by HDB and informed that there would be numerous heavy trucks traversing the narrowed roads and next to our identified race venue at Tanah Merah Coast Road and the Aviation Park Staging Grounds (APSG) because of a major development and construction project taking place. The works and movement of trucks would pose additional risks to participating cyclists as well as the truck drivers and other road users. We are, as such, not being granted permission to organize the National Championship events on 3, 17 July and 14 August 2022. Instead, we have been offered a very limited number of alternative available dates for the three events when development works are not taking place.

Having assessed our very limited other options and available dates, the SCF has decided to hold the OCBC Cycle National Championships 2022 (Road) events on the following dates:

- Individual Time Trial (ITT) on 10 July 2022
- Road Race (RR) on 24 July 2022
- Team Time Trial (TTT) on 4 September 2022

We seek your kind understanding on the change of dates and look forward to seeing you at the events. In the meantime, ride and train safe.
