## Portable Benchtop Dishwasher

### Signature Features

#### Compact & Portable Design

• Increasing the convenience of your life with 3 place-setting capacity; meeting your cleaning needs whenever, wherever

#### 2 Water Supply Modes

• Equipped with a built-in 7.5L water tank, it allows instant use when manually filled or when using the faucet mode

#### 6 Multi-Wash Programs

• Intensive, Normal, ECO, Glass, Rapid, and Fruit Cleaning Modes; meeting all your daily cleaning needs.

#### 360° Cleaning System

• Dual high water pressure system—lower and upper spray arms—and a total of 21 water ports, giving dishes that streak-free deep cleaning.

#### Turbofan & Fresh Smell

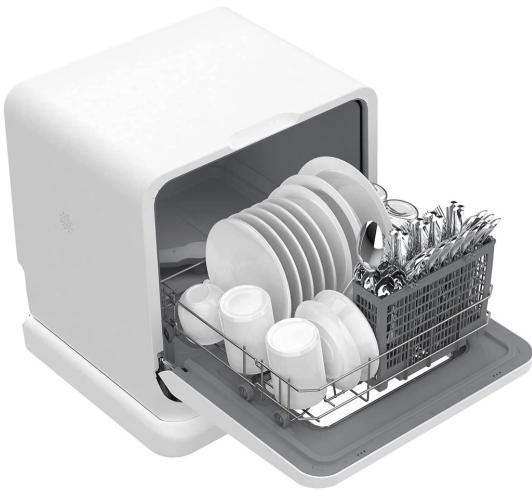

• The extra built-in turbofan lets out the steam while helping to circulate the air to ensure fresh smell and quickly drying your dishes, efficiently delivering cabinet-ready dishes.

#### 24H Preservation Function

• The PTC Drying System automatically turns on every 3 hours and makes the dish load dry and fresh.

#### Baby Safe

• High washing temperature of up to 70°C and PTC Drying System deliver a sterilization rate of 99.99%; making it suitable for baby products.

RV & BOATS

KITCHEN BENCHTOP

CAMPING

• Washing tablets, liquid or powder detergents are all acceptable and it's recommended to only use detergent tablets when running long cycles so the tablets fully dissolve.
