

⚠ WARNING: THE FAILURE TO FOLLOW THESE INSTRUCTIONS WHEN INSTALLING THE FLOGLO 24 STARTER KIT MAY CAUSE ELECTRIC PROBLEMS IN YOUR VEHICLE WHICH COULD CAUSE VEHICLE DAMAGE, ELECTRICAL SYSTEM DAMAGE, FIRE, ELECTRICAL SHOCK, PERSONAL INJURY OR DEATH.

⚠ WARNING: DO NOT LOOK DIRECTLY INTO THE FLOGLO 24 STARTER KIT. DO NOT DRIVE OR POSITION YOUR VEHICLE NEAR ON ROAD TRAFFIC WHEN THE FLOGLO 24 STARTER KIT IS POWERED ON – DOING SO MAY RESULT IN VISION IMPAIRMENT AND OR VEHICULAR COLLISION. THE INTENDED USE OF THE FLOGLO 24 STARTER KIT IS TO PROVIDE INTERIOR AUXILIARY LIGHTING FOR USE OFF ROAD OR WHILE THE VEHICLE IS PARKED AND STATIONARY. THIS PRODUCT IS NOT DOT APPROVED.

INSTALLATION GUIDELINE

⚠ WARNING: SAFETY GLASSES MUST BE USED WHEN INSTALLING THIS PRODUCT.

FloGlo 24 Starter Kit is an interior auxiliary light designed to provide auxiliary or mood lighting while driving off road or while the vehicle is parked and stationary. FloGlo 24 Starter Kit has a distinct amperage draw noted in the installation instructions. If you are not confident in your ability to install the FloGlo 24 Starter Kit please consult a licensed mechanic.

FloGlo 24 Starter Kit has specific voltage and amperage ratings for power input and amperage draw. ENSURE THESE RATINGS ARE FOLLOWED. The FloGlo 24 Starter Kit must be installed in a properly functioning electrical system. Do not install this product in a malfunctioning electrical system.

Select a mounting location that will not obstruct the operation of instruments or any vehicle functions. Clean mounting surfaces before installing units using water or a 50/50 mix of water and rubbing alcohol. Before permanently mounting to vehicle, test fit to ensure wiring is long enough to be safely installed and does not obstruct any operating functions of the vehicle. These lights should not be installed where their operation hinders the visibility of the driver or other drivers.

⚠ WARNING: DURING OPERATION LIGHTING UNITS CAN GET HOT - DO NOT TOUCH WHILE OPERATIONAL OR WITHIN 30 MINUTES OF POWERING DOWN.

Before disconnecting battery terminals, please check your owner's manual for proper procedure

1. ASSEMBLY

Remove the unit from packaging, including all mounting hardware. Locate adhesive pad for the control box as well as the remote control.

2. WIRING

⚠ WARNING - DO NOT CONNECT MORE THAN 8 FLOGLO STRIPS TO THIS CONTROL MODULE. ONLY CONNECT THE 12IN FLOGLO EXTENSIONS STRIPS TO THIS PRODUCT, THE 12IN MULTIGLOWZ EXTENSION WILL NOT WORK WITH THIS CONTROLLER.

IMPORTANT – BEFORE REMOVING ADHESIVE BACKING OR WIRING TO ANY EXISTING FLOGLO PRODUCT, TEST FIT AND TEST ROUTE ALL WIRING TO ENSURE IT DOES NOT ENCOUNTER ANY MOVING PARTS, IMPAIR ANY VEHICLE FUNCTIONS, OR POSE A RISK OF DRAGGING ON THE GROUND OR CATCHING A FOREIGN OBJECT.

If you wish to cut and shorten the strip, cut along the scissor markings on the strip and seal the end with waterproof automotive silicone. Strips cannot be re-connected to any other product on the cut and sealed end.

Turn off power to the FloGlo control module you are expanding or adding the extension strip to.
Disconnect power from the main control box of the FloGlo control module.
Insert the corresponding (male to female, female to male) end of the AlpenaLink™ connector into the strip or control box you wish to extend, making sure the connections are secure.
Reconnect power
Test operation by turning the power on to the existing FloGlo system.

3. MOUNTING

FOR BEST RESULTS, TEMPERATURE AT INSTALLATION SHOULD BE BETWEEN 65-90°F (18-32°C)

ENSURE MOUNTING SURFACE IS PROPERLY CLEANED AND IS ABSENT OF WATER, OILS, WAX, SEALANT AND OTHER SURFACE COATINGS. SURFACE MUST BE COMPLETELY CLEAN AND DRY DURING INSTALLATION FOR ADHESIVE TO FUNCTION.
TO ATTACH THE ADHESIVE BACKING ON EACH LED STRIP, GENTLY PEEL THE RED BACKING AWAY FROM THE ADHESIVE PAD AND FIRMLY BUT GENTLY PRESS THE GREY SIDE ON TO THE MOUNTING SURFACE – DO NOT APPLY PRESSURE DIRECTLY TO THE LED CHIPS.
WHEN EACH STRIP IS ATTACHED, SAFELY SECURE THE WIRING TO MAKE SURE IT DOES NOT COME INTO CONTACT WITH ANY ROTATING ASSEMBLIES, DOES NOT COME LOOSE AND CATCH FOREIGN OBJECTS, AND DOES NOT INTERFERE WITH ANY VEHICLE FUNCTIONS.

ALPENA® LIMITED WARRANTY

This Limited Warranty covers defects in materials or workmanship of this product for one (1) year from the date of purchase. Normal wear and tear over time are not product defects. Product problems caused by not following the product instructions, abuse, misuse, alteration, accident and/or use beyond the product's intended purpose are not covered. This warranty is valid for the original owner and is not transferable. Proof of purchase is required.

Any implied warranties and conditions, such as merchantability and fitness for a particular purpose are hereby excluded, or if not excludable under law, are limited to one (1) year period. Some jurisdictions do not allow limitations on how long an implied warranty lasts, so this limitation may not apply to you

NO INCIDENTAL, CONSEQUENTIAL OR SPECIAL DAMAGES ARE RECOVERABLE. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF INCIDENTAL, CONSEQUENTIAL OR SPECIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS AND YOU MAY HAVE OTHER RIGHTS WHICH VARY DEPENDING ON THE JURISDICTION.

We will replace any product we determine to be defective provided you follow our product return directions. Please note that replacement product may not be exact due to style changes to our products. We will cover the mailing expense to send you a replacement product. However, mailing costs to return to us the original product which is claimed to be defective must be paid by you. If a replacement product is not available at the time you submit your warranty request, we will issue a credit.
