

About Us

Launched in 2022, The Little Stamford Company is a luxury British baby and childrenswear brand inspired by the countryside. With a range of unique highly detailed watercolour prints across beautifully finished products made from organic cotton.

Our customers span the UK and beyond. They tend to be ABC1 adults, 80% female and all share a love of the outdoors, countryside pursuits, animals and country vehicles.

Unique designs

Choose from Gun Dogs, Tractors, Land Rovers, Ponies and Tattersall prints, all exclusively designed.

We also stock a range of beautifully made wooden toys and accessories.

Quality Heirloom Pieces

Made from 100% organic cotton, brushed for an extremely soft and premium feel, our products are exquisitely made, designed to be treasured and handed down from one baby to the next.

Our core products include sleepsuits, dribble bibs, muslin blankets and squares, long sleeve tops and bodysuits to layer up for outdoor days.

Testimonials

"I absolutely adore" these prints - they are everything I want on my little people's clothes"

"I've not come across any babygrow with such nice fabric.....Excellent product, wholeheartedly recommend."

"I love this, everything about it. Clearly it is well made and all the details thought about"
