CLASH DAYTONA

SPRINT DISTANCE

DEC 1-3 2023

UPDATED AS OF 11/17/23

A NOTE FROM OUR CEO

Dear Athletes,

Welcome to the **2023 CLASH Endurance DAYTONA Event!** We are excited to have you here at one of the most iconic speedways in the world, the Daytona International Speedway (insert Registered mark). We hope you are ready for a weekend filled with endurance, community and most importantly, fun! The entire CLASH Team is celebrating the double-digit growth in recent years and continues to work diligently to create an unforgettable experience for your friends and family. We are also thrilled to serve as the host venue for USA Triathlon's Long Course National Multisport Championship! This will draw thousands of athletes from around the globe to compete in one of the aquabike, duathlon or triathlon events with a goal of qualifying for the World Triathlon Multisport Championships, taking place in Townsville, Australia on August 15-25, 2024.

In 2018, we introduced new innovation through a professional format called "Daytona Distance," allowing you the opportunity to get close to your favorite pro triathletes. After hearing from many of you last year, we utilized your feedback for 2023 and have added movie night, a Jingle Jog 5K costume contest and cycling-specific events like Redline Relay and Test Track... You talk, we listen = a **CLASH Endurance** specialty.

One of my favorite aspects of the race is the community that gathers in our Expo Village known as the "Fan Zone" as well as the Tent Camping/RV lots. These areas offer the chance for you to get to know other participants, make this an interactive weekend for you and those you've traveled with in addition to enjoying live music, various food selections, games and the free beer & wine garden.

Unlike other event venues, the NASCAR facilities and **CLASH Endurance** festival weekends offer unique perks including convenient parking, multiple shower/restroom locations and carpet to make your transitions faster and more comfortable. Lastly, our viewing areas get your family up close and personal so they can cheer you on many times during the race! (Don't forget about being able to follow your favorite athlete online via our race app.)

CLASH Endurance DAYTONA was voted "Editor's Choice" 2021 by Triathlete Magazine as well as "BEST NEW RACE in 2018." These accolades are rewarding, yet drive us to continue providing the safest and most memorable events possible. We're delighted to welcome athletes from around the globe and allow me to take this opportunity to thank you all for your ongoing support of **CLASH Endurance DAYTONA** and the **CLASH Endurance** Event Series.

Lastly, CLASH Endurance will offer qualifying slots for the **CHALLENGEFAMILY "THECHAMPIONSHIP"** (the Challenge Family World Championship) in all age group categories, which will take place at the scenic "X-Bionic Sphere Resort." Here's hoping you have an amazing race; enjoy this one-of-a-kind course at the Daytona International Speedway finish line!

INTRODUCTION & RULES

This Athlete Guidebook contains very important information regarding the preparation for your race.

The most important parts are:

- Schedule
- Cut-off times
- Registration process
- Rules and regulations
- Timing chip attachment

All amateur Triathlon and Duathlon participants must purchase a USAT one-day license if you are not a current annual USAT member. Please provide proof of current USAT membership with registration or be prepared to purchase a one-day license for \$15 at packet pickup.

For information on this One Day Membership can be found here: <https://www.teamusa.org/USA-Triathlon/Membership-Services/One-Day-Membership>

Every Athlete must carry a photo ID for identification purposes, either passport, ID or drivers' license.

SWIM COURSE RULES

- Compulsory gear includes a swim cap (cap provided) and swim/tri suit. This may be altered or added to at the Race briefing subject to the water conditions, temperature, and swim course/distance (at the Event organizer's absolute discretion).
 - Wetsuits will be mandatory if the water temperature on race day is 60.6 F and below. Wetsuits are allowed (but not required) if the water temperature on race day is 76.1 to 60.7F. Wetsuits may be worn if the water temperature on race day is 76.2-83.9 F. However, athletes who choose to wear a wetsuit under this circumstance will not be eligible for awards or rankings and will start in a last and separate wave. Wetsuits will be forbidden if the water temperature on race day is 84 F or higher.
- No fins or paddles are permitted.
 - **As of 2023 snorkels are prohibited at USA Triathlon sanctioned races.**
 - Approved uninflated flotation safety devices are allowed and should be checked by the Head official before use and approved by the Swim Course Director.
 - Swim goggles or face masks (unless the full-face mask is integrated with a snorkel) may be worn but are not required.
 - Competitors can hold onto a buoy, boat, rope, floating object, etc., but such assistance may not result in the athlete making forward progress. Any assistance required during the swim, including aiding in making forward progress, may result in disqualification.
 - The swim course will be closed 45 minutes after the last swimmer enters the water for the sprint distance triathlon
 - **Practice Swim - There will NOT be a swim warm up prior to the start of the race. There WILL be a practice swim on Friday, Dec. 1 from 1-3pm. You must have completed the packet pickup process and have your chip and your athlete wristband on for the practice swim.** You will only be allowed to swim the specified course and direction as instructed by the Swim Course Director. *The Swim Course Director and Race Management reserves the right to remove any athlete from the practice swim.
 - Event organizers have the right to change the location of the swim course, the distance of the swim course, or cancel the swim course (at their absolute discretion), considering the weather, water temperature, and general water conditions.

BIKE COURSE RULES

- No drafting is permitted. The bicycle draft zone for the Sprint race will be 10 meters long (5 bike lengths of clear space) measured from the leading edge of the front wheel and 2 meters wide. An age group athlete may enter the draft zone of another athlete but must be seen to be progressing through that zone. A maximum of 20 seconds for the Sprint race will be allowed to pass through the zone of another athlete.
- The draft zone behind motorcycles shall be 15m long and 35m long for all other motorized vehicles.
- Helmets must be secured by the chin strap before taking the bike from the rack and must remain fastened until the cyclist has dismounted the bike and returned it to its rack.
- No individual support is allowed. The bike course is closed to all supporter traffic and no competitor may seek or receive outside help from spectators, members of the public, or any third party, except for the official technical support crew.
- Each participant is responsible for the state or repair of his/her own bike. Bikes must be in a safe and roadworthy condition, including meeting the bar end requirement set by USAT.
- Cyclists are expected to heed the directions and instructions of all race officials and public authorities. Participants may run/walk with their bike if necessary.
- **The use of a personal audio device is prohibited during the bike course.**
- Competitors must keep as far to the right as is practically possible at all times and pass others on the left and must obey all traffic laws, traffic regulations, and the directions of Event officials and the Police.
- **NOTE: While on the speedway, riders will ride to the left and pass on the right. This will be the case for the entire duration of the kids, sprint, and middle races!**
- The penalty for drafting, dangerous riding or unsportsmanlike conduct will be determined by the race official and may result in a disqualification.
- Event organizers have the right to change the location of the bike course or the distance of the bike course (at their absolute discretion) considering the weather and course conditions.

RUN COURSE RULES

- Slower competitors must not obstruct while other competitors overtake on the left.
- No individual support vehicles or non-participant escort runners or cyclists are allowed. Friends, family members, coaches, or supporters of any type may not bike, drive or run alongside competitors, may not pass food or other items to competitors, and should be warned to stay completely clear of all participants to avoid the penalization of a participant. Runners are expected to follow the directions and instructions of all race officials and public authorities. Outside assistance is strictly forbidden and the size and nature of penalties for such an offense are at the sole discretion of the Event Director and Race Referee in accordance with USAT rules. Outside assistance may result in either a time penalty or disqualification.
- **The use of personal audio devices is prohibited during the run course.**
- Competitors must obey all traffic laws, traffic regulations, and the directions of Event officials and the Police.
- Event organizers reserve the right to remove from the course competitors who do not complete the race in a reasonable time.
- Event organizers have the right to change the location of the run course or the distance of the run course (at their absolute discretion) and considering the weather and course conditions.

The USA Triathlon Multisport Competition Rules and the most up to date rules information can be found at <https://www.usatriathlon.org/multisport/rules>

COURSE CUT-OFF TIMES

- Sprint Distance Triathlon / Duathlon / Relay
 - Each competitor will have 45 minutes to complete the swim.
 - The bike and run course are contained on Daytona International Speedway Property and hence does not have a firm cut-off.
- *CLASH Endurance staff reserve the right to remove any athlete from the course. This includes removing athletes if it is not possible to complete the discipline in the allotted time. Athletes may also be removed from the course if CLASH Endurance staff determine it is no longer safe for the athlete to continue.

MESSAGE FROM THE HEAD REFEREE

Welcome to this USA Triathlon sanctioned event. At CLASH Endurance Daytona Age Group Races, you are racing under the USA Triathlon Multisport Competition Rules.

Clash Age Group Races Rules and Reminders

Please keep in mind that you are racing in a USA Triathlon sanctioned event and there are USAT certified officials on the course to ensure fairness in the competition. A triathlon is an individual event, and you must take personal responsibility to understand the rules and avoid penalties. Penalized athletes will be notified of penalties on course via the international standard blue card/yellow card system.

- **Penalties:** For bike course violations, athletes will serve their penalty in a penalty area and as stand downs elsewhere on the course. Blue Card for Drafting 5:00 Minutes for Middle Distance and 1:00 for the Sprint distance. Yellow Card penalties are 10 seconds for the Sprint race and :30 seconds for the Middle-Distance race. Yellow cards may be used to issue warnings and for all other violations other than Disqualification.
- **Disqualification:** Receiving two or more Blue Cards in the Sprint Distance race and three or more Blue Cards in the Middle-distance race shall result in Disqualification. Failure to stop and serve all penalties as required prior to crossing the finish line shall result in Disqualification.
- **Penalty Notification:** When and if safe to do so, athletes will be shown the appropriate card for the violation, identified by their race number, and instructed to stop at the penalty tent. Penalties will be called into the penalty tent to be recorded on the penalty board. It is the athlete's responsibility to check the penalty board.
- **Draft Zone Distances:** The bicycle draft zone for the Sprint race will be 10 meters long (5 bike lengths of clear space) measured from the leading edge of the front wheel. The bicycle draft zone for the Middle-distance race will be 12 meters long (6 bike lengths of clear space) measured from the leading edge of the front wheel. An age group athlete may enter the draft zone of another athlete but must be seen to be progressing through that zone. A maximum of 20 seconds for the Sprint race and 25 seconds for the Middle-Distance race will be allowed to pass through the zone of another athlete.

A Few Final Notes:

- Please ensure that your helmet meets or exceeds the safety standard of your national federation.
- While in possession of your bike your helmet must be on with the chinstrap securely fastened.
- The use of personal audio devices, including bone conducting headphones, is prohibited.
- Remember to treat other athletes, volunteers, and officials with courtesy and consideration.

REGISTRATION & GEAR

At Packet Pick Up you must present PHOTO ID & USAT Card to pick up your packet

Race Gear Content

During the Registration Process you will receive all your race gear that you need during the race weekend. Every participant receives the CLASH Race bag filled with various items you'll need for the race. Depending on the distance you will find one of the following supplies:

1. Helmet race number sticker, to adhere to the front of your helmet.
2. Tattoos: stickers with your bib number which need to be placed on your upper arms.
3. An athlete wristband that gives you access to participants' areas, to be worn around the wrist.
4. Bike Sticker to be placed prominently on your bike frame.
5. Race number to be worn on the front of you during the run.
6. Timing Chip
7. Swim cap to be worn during the swim.
8. Some cool swag!

Please check to ensure that all these items are present. In case of deviations, please report this to the solutions table inside registration.

Post Race Gear Drop Off

NEW this year, we are offering a post-race dry bag. These bags will be available at packet pickup upon request and at the drop off location. You will need to label the bag with your athlete number and drop it off at the Yellow Garages during the specified times below, depending on your race.

Your bag will be available for pickup after you finish your race for pickup in the Yellow Garages near athlete food.

TIMING

The progress of your race is tracked by a SportStats transponder attached to a soft rubber band with Velcro, your "timing chip". This transponder needs to be placed on your LEFT ankle during all three parts of the race. As the chip is linked to your race number, please make sure the number the organization has matches the number on the chip. Otherwise, your time cannot be tracked/timed correctly during the race.

All timing chips accidentally brought home can be mailed to the following address:

SportStats USA
112 54th Street SW
Wyoming, MI 49548

Bike Check-in

The bike check-in is located at transition, adjacent to Lake Lloyd and west of Boardwalk Club.

Before checking-in your bike, make sure you have checked the following things:

1. Your bike is technically in order, e.g: your brakes are working and there are no open ends on your handlebars.
2. Your bike number is affixed to your frame and is clearly visible.
3. Your helmet sticker is placed on your helmet. Place the sticker on the front of your helmet as it will help to identify you in photos.
4. On race morning, make sure you have your run bib number as it must be worn during the run portion of the event.
5. Make sure everything is placed in the area close to your bike so it's not blocking other athletes' equipment.

SPRINT DISTANCE TRIATHLON

Please keep in mind that there are **TWO Sprint distance start times:**

Sprint A: 7:05am (Competitive Group)

Sprint B: 9:15am (Recreational Group)

Swim Course

The Sprint Distance race starts with an 800 meter, one-loop swim in the calm waters of Lake Lloyd, within the iconic Daytona International Speedway track. Athletes will enter the water via a grass ramp, swim a single clockwise loop, and exit via ramp to the Transition Area. The water temperature in Lake Lloyd is typically between 68 and 72 degrees (20-22 degrees Celsius). Swim cut off is 45 minutes.

SPRINT DISTANCE

Bike Course

Once on the bike, athletes will complete 4 and ½ laps of the Daytona International Speedway before exiting the back straight to follow the access road to the historic old tunnel to re-enter the infield to transition. The back straight will have signs in sequential order: LAP 1, LAP 2, LAP 3, LAP 4, EXIT TO FINISH. In addition, there will be an electronic jumbotron displaying athletes bib number, last name, and the lap they are on 1, 2, 3, 4 and 5. Upon seeing Lap #5, athletes must prepare for a right turn to exit the back straightaway.

SPRINT DISTANCE

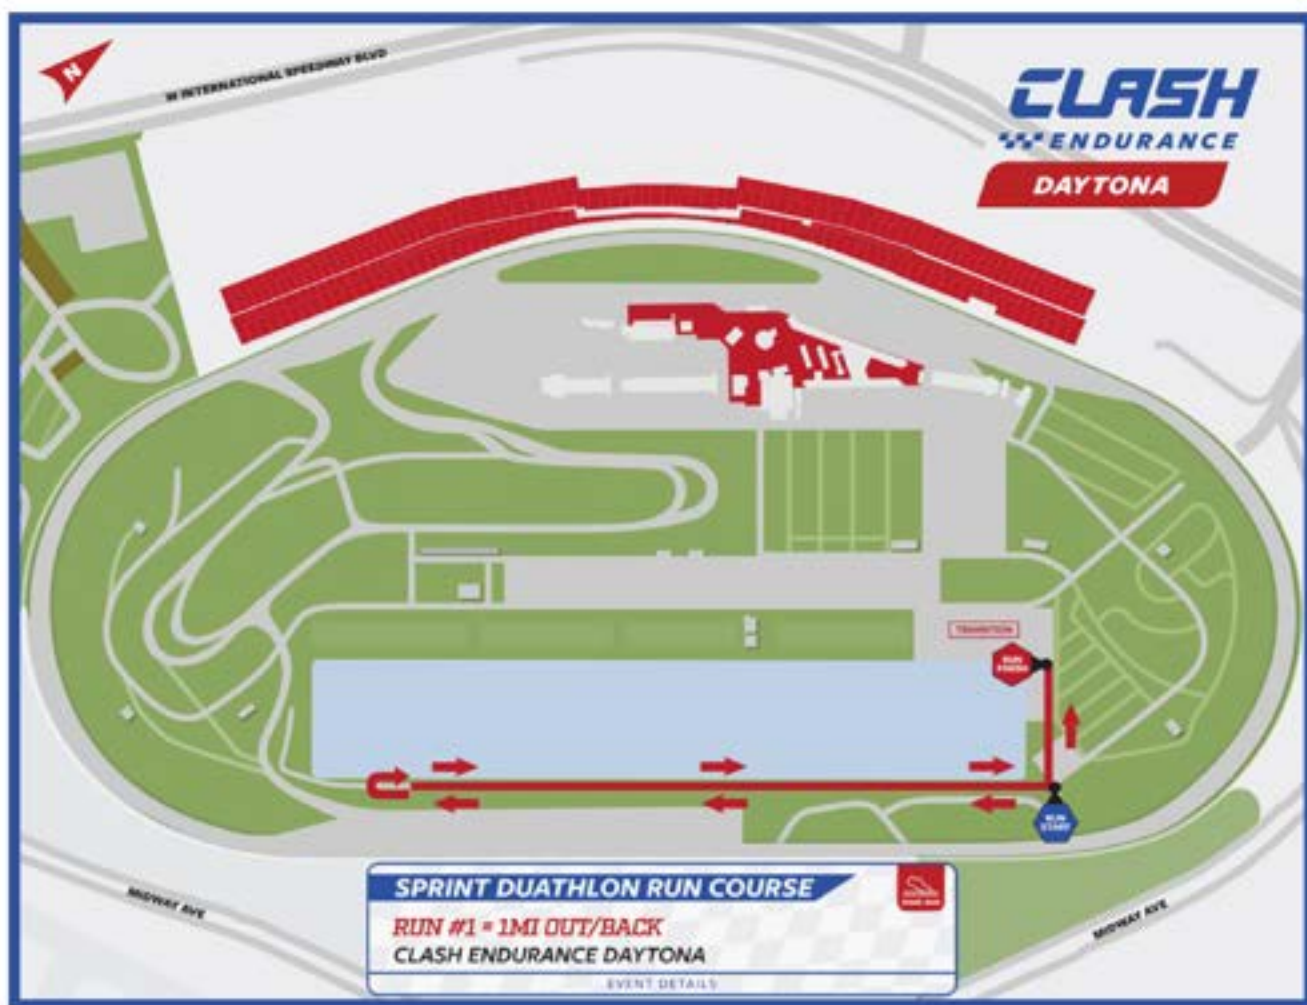

Run Course

The 5K run takes you on one excitement-filled lap of the track—running where NASCAR history is made. You'll finish in the FanZone, like countless sporting legends who have come before you. Maybe you won't hit the speeds that NASCAR drivers' clock, but it's sure to be a fast run, fueled by the enthusiasm and energy of family, friends and spectators. It's also sure to be an experience you'll never forget!

SPRINT DISTANCE DUATHLON RUN 1

The Sprint distance duathlon will begin with a 1-mile run. It will be an out and back run and will start at either **7:15am or 9:25am depending on whether you signed up for Sprint A or Sprint B**. The 1st run portion is on the map below. The remainder of the event will follow the bike and run portions of the sprint distance triathlon as described above.

AID STATIONS

Bike Course

There is NO bike aid station for the Sprint Distance

Run Course

On the run course for sprint events, you'll find one aid stations at approximately mile 1.5.

The on-course nutrition will include:

- Water
- Bananas
- Cola products
- Gatorade
- BASE Energy gels

Trash Zone

Please note that littering along the course is forbidden. You are allowed to throw away your trash only in the designated areas 200 meters before and after each aid station. If you are spotted littering elsewhere—including tossing cups, drink bottles, or energy gel/bar wrappers—you risk a penalty. This rule is enforced on both the bike and the run course.

Finish line support

Our volunteers are ready to assist you after you finish. First, you'll receive your medal. If you require immediate medical assistance, our volunteers will help you get to the medical staff behind the finish line.

Massages are available nearby as you make your way into Athlete Food. Be sure to check out the Free Beer & Wine Garden sponsored by Daytona Beverage and the Recovery Zone in Expo Village where you'll find a variety of services and products to help you recover from your race. If you dropped off an after race dry bag, be sure to retrieve that from the yellow garage.

Bike Check-Out

The bike check-out is located from the side of the Transition Area at Lake Lloyd. After the race, all athletes are required to retrieve their bikes from the Transition Area. The TA is only accessible by athletes wearing a participant bracelet. Checkout of the bike is only possible when the athlete can show his or her bib number.

Please be aware that when bike check out begins some athletes may still be completing their T2 to start their run- particularly those of you that are racing Sprint A. Please be respectful and give them priority to proceed with their race without obstruction. We encourage you to cheer them on!

Upon check-out, athletes are required to pick up their bike, helmet, and other transition equipment. If you have trash near your bike, please place it in a trash receptacle. Check-out is soon after you finish and is open until one hour after the start of the Award Ceremony.

Non-Finishers

In case you have failed to complete the race for any reason, please notify someone from the organization or an official as soon as possible.
