# Simply 150 Ultra RR

## General

AB400 REPO is a 150µ Matt white polymeric, phthalate-free PVC, laminated with a clear, ultra-removable and repositionable adhesive which is protected by a moisture stable, stay-flat 140gsm PE Kraft liner. The product can be applied to most smooth, flat and slightly curved surfaces and is suitable for printing by Latex, Solvent and UV Inkjet.

AB400 REPO can be applied and removed numerous times without damage to the underlying substrate.

## Product is suitable for

- Wall Murals/Stickers
