

# PTERA RING SIZE GUIDE

**STEP 1.** Print this guide out, making sure to set scaling to "one" on the printing dialogue box.

**STEP 2.** Once printed, measure the line below to ensure all measurements are accurate. The line should measure 5cm.

**MEASURING A PRE-EXISTING RING.** Use this guide to determine the size of a ring you already have. To do so, align the inner diameter of your ring with the outer edge of the nearest circle.

**MEASURING YOUR FINGER.** Use this guide to determine your ring size by measuring your finger.

**STEP 1.** Cut out the measuring strip below and the slit used to identify your size.

**STEP 2.** Wrap the measuring strip around your finger, sliding the smaller end into the slit until the strip is tight and snug around your finger.

**STEP 3.** Read your size off the measuring strip.
