

ABOUT US

Our Journey

TiiPii Bed has evolved from 10 years of designing, creating and selling similar products within the leisure industry.

Work-rest-play balance paves our path. With an irresistible passion for outdoor living, we have every intention to inspire people into reawakening their inner spirit of adventure, pursue the ultimate life balance and detach from the turbulence of modern life.

Perks worth paying attention to

Brilliant by design

We use only the highest quality of materials with exceptional durability because comfort is a lifelong experience.

Details Matter

We braid each rope, bend every pole and cut every piece of fabric to create a haven of comfort and relaxation.

The Result

Best-in-class luxury lounge products, in three core ranges that withstand the test of time.

ABOUT US

Responsibly Produced Furniture

We are passionate about inspiring our customers to take time for themselves, to relax and recharge.

We use the highest quality of materials to ensure comfort to last a lifetime.

We braid each rope, bend every pole, cut every piece of fabric and sew it all together with an attentive eye for detail to make sure each bed is just right.
