

# Be the One

I can do the things you want me to  
If only you let me  
For a moment give my heart to you  
I'll take you to the place of your desire  
You longing to be  
I will take you to heaven  
You'll be there with me  
If only you want me  
If only you care for me

Ref:

I wish I could be with you if only  
if only  
You felt the same about me too  
you know it you know it  
I don't need much just be sure you want me  
you want me  
Be the only you Adore  
Be the one and the only  
only for you

When I close my eyes I see  
You embracing me and I  
Feel a tender touch of yours  
I'm sure you'll feel the same about me too  
Just open your heart  
To fill it with endless love  
You'll be there with me  
If only you want me  
If only you care for me

I've been waiting for you  
Will you make the move?  
Just say the word and I  
Be right there with you

Ref:

I wish I could be with you if only  
if only  
You felt the same about me too  
you know it you know it  
I don't need much just be sure you want me  
you want me  
Be the only you Adore  
Be the one and the only  
only for you  
You're the one that I adore
