

BREAKFAST FOR  
DINNER

**STEP 1** Preheat oven to 375° F. Remove lid from casserole and cover with aluminum foil. Bake for 30-45 minutes or until warm throughout.

**STEP 2** When 10 minutes remain, remove waffles from plastic. Spread the waffles out on a baking sheet. Remove bacon and sausage from parchment paper and place paper on another baking sheet. Spread bacon and sausage over paper. Heat waffles along with bacon and sausage for 5-10 minutes, or until heated through.

**STEP 3** Top warm waffles with whipped topping and syrup. Serve alongside fruit, bacon, sausage, and potato cheddar casserole.
