Place short rib and potatoes in hot oven for 15-20 minutes, or until the short rib reaches an internal temperature of 145°F and the potatoes are slightly crispy on the edges.
- STEP 2** While short rib and potatoes are in the oven, transfer creamed spinach to a microwave safe bowl and microwave for 2-3 minutes, stirring occasionally until warm.
- STEP 3** While the creamed spinach is cooking, transfer demi-glace to a microwave safe bowl and microwave for 15-30 seconds or until heated through. Serve immediately over heated short rib.
