Solar wiring diagram for 24V system (in series)

12V / 100Ah

Charge controller

12VDC load

12V / 100Ah

120–240V AC load

120–230V DC to AC inverter

12V–24V input

UPS/Inverter output

120V – 230V AC load

12VDC load
