Product Description

Brass Landscape Spot Light Type 2 is a type of outdoor lighting fixture designed for illuminating landscapes and outdoor areas such as gardens, trees, paths, and walls. This landscape light is made of brass, which is a durable and corrosion-resistant material that can withstand harsh outdoor environments.

This light is designed to be mounted on the ground or on a spike and have an adjustable head to direct the light where it's needed. It comes with a 5W MR16 LED bulb.
