

CERTIFICATE OF ANALYSIS

Guinea Pig Tumor Necrosis Factor Alpha mAb

Cat. #: GS0217

Lot: A314

Package size: 0.1 ml

Description Rabbit monoclonal antibody to Guinea Pig TNFa (XP_005086856.1).

Tested applications ELISA

Known Cross-Reactivity Human TNFa

Concentration 1.0mg/mL

Storage buffer PBS, pH 7.2-7.5. with 0.05% ProClin 300

Storage Frozen (-20°C or lower). Store at 4°C when thawed or aliquot and refreeze. Avoid repeated freeze/thaw cycles.

Example applications

ELISA ELISA plates were coated with purified Guinea Pig TNFa protein diluted as indicated in the graph below and detected with 1ug/mL of GS0217. The secondary antibody is a goat anti-rabbit Fc IgG.
