Step 2 – Provide Proof of Residency

Include a copy of one of the following as proof of your Texas residency. Document must be current and dated within three months of the date the application is received.

- Texas Driver's License
- Voter Registration Card
- Utility Bill (showing address)
- Vehicle Registration Card
- ID Card with address
- Letter on the official letterhead of a residential facility signed by the facility director or supervisor

Note: Proof of residency must name the **applicant** or the **parent**, or the **legal guardian** signing the application **and** show the home address as it appears on the application.

Step 3 – Device Options

You must meet the established disability requirements for the device requested.

Note: These disability requirements are defined in the form instructions.

SI = Speech impaired **CI** = Cognitively impaired **LMI** = Lower mobility impaired **UMI** = Upper mobility impaired

Telecommunication Device or Software	Disability Requirements
SGD Level 1 A hand-held device that generates digitized or synthesized speech using pictures.	(**SI** and **CI)** or (**SI** and **UMI**)
SGD Level 2 A device that generates digitized or synthesized speech using pictures that may allow for switch access.	(**SI** and **CI**) or (**SI** and **UMI**)
SGD Level 3 A device that generates digitized or synthesized speech using pictures that allow for eye control access.	**SI** and **UMI**
SGD Switch A device that connects to an SGD to allow the user to review and make selections.	**SI** and **UMI**
SGD Head Pointing or Movement Control Device A device that connects to an SGD to allow access to an SGD using head or other body movements.	**SI** and **UMI**
SGD Eye Control Access A device that connects to an SGD to allow access to an SGD using eye movements.	**SI** and **UMI**
SGD Mount A device used to secure an SGD.	**SI** and **UMI**

Certification

As the certifier, I attest to the following:

- I am eligible to certify under the provisions of STAP.
- I have personally met with the applicant and have assessed the applicant's disability to determine that he or she is eligible, in accordance with the STAP eligibility criteria.
- I have determined that the applicant will be able to benefit from the specialized telecommunications device recommended above to access the phone network and that the applicant's age or disability does not prevent him or her from using the selected specialized telecommunications device to gain access to the phone network.
- I understand that STAP may request additional documentation from me, the applicant, or other sources to confirm or supplement any information provided on the application, including physician's statements, medical records, or a copy of my license or certificate.
- I understand that if I have violated or if I am suspected of violating any HHS policy or laws related to the STAP, including certifying applicants who cannot access the phone networks with the device requested, that I may no longer be authorized to certify applications, and that if I have committed or am suspected of committing such violations, I may be referred to my licensing agency.
- All information I have provided on this application is valid and accurate to the best of my knowledge.
