

MODEL 8280 Quilter's Dream XL

Description

The new Model 8280 continues the legacy design of the beloved "Quilter's Dream" and has been updated with a 31" x 15 1/2" opening to fit today's large quilting machines.

This cabinet features a large drawer extension, 14" drop leaf, and right side swing-up extension to give you all the space you need for those big quilting projects.
