Horn of America Electric Lift Cabinets

Warranty

Horn of America designs and constructs its furniture with the customer's satisfaction in mind.

This warranty provides you with protection against manufacturer's defects in material and workmanship of all components in your Horn of America cabinet with the exception of the following; the Electric Lifting Columns (Legs), Electric Control Box and Control Panel, and Electric Sewing Machine Lift, which has a 3-year replacement warranty.

This warranty is limited to the original owner of the Horn cabinet and covers only manufacturer defects. Any damages resulting from incidental and consequential damages to the product are excluded to the extent permitted by law.

There are states which do not allow exclusion of damage resulting from incidental and consequential damages, therefore, the above limitation and exclusion may not apply to you.

If a defective component is discovered, you need to return the defective component (including a copy of this warranty and proof of purchase) to: **Horn of America, Inc., P.O. Box 608, (123 Summer Place Drive) Sutton, WV 26601.** Horn of America will make available the replacement component free of charge within a reasonable period thereafter. Your responsibility includes all freight charges related to delivering the defective component to Horn of America to the extent permitted by applicable law and any labor charges that may be applicable. Horn of America will pay all freight charges involved in delivering the replacement component or components to you.

This warranty does not cover any defect resulting from the improper use or abuse of the cabinet, normal wear and tear, or commercial use of the cabinet in a commercial environment.

This warranty gives you specific legal rights that vary with each state. Questions should be direct to Horn of America, Inc. at 1-800-882-8845.

***Residents of the State of California who are not reasonably able to deliver the component that is defective should give written notice to Horn of America, Inc. explaining the defect and reason you are unable to return the defective component to us.**
