MAIN FEATURES

Certifications **CB** **CS** **CE** Trade Agreement Act (TAA) Compliant

Centralized cross cut shredder designed to shred computer prints-outs documents as well as paper coming from the waste baskets of an entire office floor: just insert the paper into the dedicated throat or empty the waste basket into the large hopper, and the impressive cutting knives, which are fed through an automatic feeding system with mechanical revolving flaps, shred everything into small chips, for great security and bulk reduction of the shredded material. Kobra 400 WB can shred up to 48 sheets at a time, it's equipped with 24 hour continuous duty motor without overheating and heavy duty chain drive system with steel gears.

- **Automatic mechanical feeding system through revolving flaps** for easy shredding of waste material contained in the office waste basket and emptied into the hopper
- **Heavy duty chain drive system** with steel gears "Super Potential Power Unit"
- **Powerful motors:** 24 hour continuous duty motors without overheating and duty cycles for continuous shreds
- **Manual button for continuous shredding mode.** Motor thermal protection.
- **Carbon hardened steel cutting knives** unaffected by staples and clips
- **Start & stop:** automatic start and stop through electronic eyes with stand-by function
- **Safety stop:** automatically stops at bin removal and/or full waste bin
- **Automatic reverse** in case of jamming
- **High quality steel cabinet** mounted on casters
- **53 gallon collection bag,** easy to empty
