CATEGORY																											
NUMBER OF BIOMARKERS TESTED	6	7	1	13	3	10	4	8	24	29	21	28	5	3	7	5	7	37	6	11	1	4	3	5	9	15	38
Alanine Aminotransferase (ALT)																											
Albumin																											
Alkaline Phosphatase (ALP)																											
Anti-Mullerian Hormone (AMH)																											
BUN Urea																											
C-Reactive Protein (CRP)																											
Copper																											
Creatine Kinase (CK)																											
Creatinine																											
Estimated Glomerular Filtration Rate (eGFR)																											
Ferritin																											
Folate																											
Follicle-Stimulating Hormone (FSH)																											
Free Androgen Index (FAI)																											
Free Testosterone																											
Free Thyroxine (FT4)																											
Free Triiodothyronine (FT3)																											
Globulin																											
Haemoglobin A1c																											
HDL Cholesterol																											
Iron																											
LDL Cholesterol																											
Luteinizing Hormone (LH)																											
Magnesium Serum																											
Non-HDL Cholesterol
