食品级安全

纯天然选材, 可与食物直接接触, 健康环保可直接用于食品级用具表面, 无毒害无辐射。

Food grade safety

100% natural material, can be directly used on the surface of food-grade utensils, non-toxic and non-radiation.

抗冲击

高科技的生产工艺和设备, 使岩板产品拥有极高致密度及极佳的抗破坏强度, 6mm岩板抗冲击力等同于35mm花岗岩。

Impact resistance

High-tech production technology and equipment enable sintered stone products to have extremely high density and excellent breaking strength. The impact resistance of 6mm sintered stone is equivalent to that of 35mm granite.

防火耐高温

直接接触高温物体不变形, 也不会散发任何气体或气味。

Fire and high temperature resistance

Under fire or high temperature, it is not deformed and does not emit any smell

耐腐蚀

耐抗各种化学物质, 日常洗涤及维护无后顾之忧, 作为外墙材料更好的抵御酸雨侵蚀。

Chemical resistance

It is resistant to various chemical substances, and there is no worries about daily washing and maintenance. As an exterior wall material, it can better resist acid rain erosion.

抗污性

吸水率极低, 污渍无法渗透的同时也不给细菌滋生空间。清洁简单快速, 湿毛巾擦拭即可, 无需特殊护理。

Stain resistance

The water absorption rate is extremely low, and the stains are impermeable and do not give bacteria breeding space. Cleaning is simple and fast, just wipe with a wet towel, no special care required.

耐刮磨

莫氏硬度7级, 能够抵御高强度硬物刮蹭以及刀具切割等。

Scratch resistance

Mohs hardness level 7 can resist high-strength hard objects scraping and cutting with knives.

防滑

通过国际DIN51130防滑检测, 达到R10级防滑, 可适应卫浴及户外园林等地面。

Non-slip

It has passed the international DIN51130 anti-slip test, reaching R10 anti-slip level, which can be applied as floors of bathroom and outdoor gardens.

抗紫外线

超强抗UV, 风吹日晒也毫不变色。

UV resistance

Super UV resistance, no discoloration in wind and sun
