

## Fire Pits

Our artistically-designed fire pits add style and design to the classic outdoor fire pit. The Chiseled Fire Pit has a rough hewn concrete exterior and smooth rim around the top. The El Dorado Fire Pit has a smooth concrete exterior and smooth rim around the top. The Contractor's Model comes as a blank slate for you to customize and design your way by adding your own stone, tile, or other veneer. Made from glass fiber reinforced concrete (GFRC), these fire pits come in a variety of different colors. Fuel options include Natural Gas or Propane.

## Feature Highlights

- Handcrafted from innovative Glass Fiber Reinforced Concrete (GFRC)
- 16" stainless steel burner
- "Reversible floor" design to suit your décor needs
- Manual Flame Sensing Control System
- Optional 110V FyreStarter Bluetooth Control
- Available for Natural Gas or Propane (Propane models, see page 34 for tank housing options)

### "Reversible Floor"

*High configuration recommended for higher stack or flame (better for glass).*

*Low configuration recommended for lower stack or flame (better for logs).*
