The Breckwell SP1000 was named the Big E for its ease of use and economical value. This powerhouse of a pellet stove remains a constant favorite year after dependable year. The Big E features the smoked mirrored glass and arched door with stay-cool wooden handle. The staggering 120 lb hopper can burn up to three days on a single load of fuel. This all-around favorite features a removable ash pan and 120 CFM blower, and a dependability with more features and less cost than many other comparable pellet stoves. Ask your local hearth shop for the Breckwell Big E today.
