

SPC4000 Pellet Stove

FEATURES

Classic Cast is a captivating combination of comfort and charm. You might not guess from its nostalgic country styling that this is such a powerful stove – providing both radiant and forced air heat for up to 50 hours on one load. This attractive unit has an optional brick kit that adds to the inner beauty, and easily accessible ash pan. The SPC4000 is 2020 EPA certified and mobile home approved. Four levels of heat in a digital control board help you control the warmth for up to 2,000 sq. ft.”
