[GrandCanyonGasLogs.com](http://GrandCanyonGasLogs.com)

Our expertly crafted, ultra-realistic gas logs and larger than life flames are designed to elevate any indoor or outdoor environment, creating an unforgettable ambiance reminiscent of gathering around the campfire. Make your hearth the centerpiece of your home with Grand Canyon Gas Logs.

Established in 2013, Grand Canyon Gas Logs was created to bring handcrafted quality, hyper-realistic designs, and American-made manufacturing back to the hearth industry's gas log market - employing over 30 years of industry knowledge to foster innovation in an ever-evolving landscape. Earning the brand a highly-regarded reputation for their boutique practices and positioning Grand Canyon as the "craft beer" of the gas log industry.

Take a look at our full line of indoor and outdoor products to truly understand the Grand Canyon Gas Log difference.

## Who Is Kyle?

### Meet Kyle.

He is a real-life person scanning Arizona's stunning countryside in search of the finest logs - not a mascot we created but rather a muse that inspired the foundation of Grand Canyon Gas Logs. His attention to detail and dedication to quality bring an unmatched realism not found within our industry.

## REAL LOGS...FROM REAL PEOPLE

# Grand Canyon Gas Log's Species & Sizes

Found across the Arizona terrain, Grand Canyon Gas Logs feature unique life like characteristics throughout all our styles. From the unique wood decay, cracking and splitting found in the Arizona Juniper and Western Driftwood to the deep rich bark and natural highlights in the Arizona Weathered Oak and Arizona Weathered Oak Charred our logs make you feel like you have chopped wood in your fireplace. Take notice to the detail in each one of these individually cast, hand painted works of art.

These log are available in multiple arrangements, front view and see through with sizes ranging from 18" - 120".

Burners shown are black indoor burners for displaying logs only. All outdoor burners are made of 304 Stainless Steel.
