

ARIZONA WEATHERED OAK CHARRED

2BRN-30 / AWOC30LOGS

ARIZONA WEATHERED OAK CHARRED

This collection combines the detail and beauty from our native series and adds the extra dimension of an authentic charred look. Our log hunters hand-picked each of the logs and then burned the front logs right in half. Once burnt the logs are molded to capture the most realistic looking charred set on the market.

Available sizes 18" - 42"

2 Burner 18" AWOC
