Reflective Black Glass

Contemporary Conversion Kit – Comes standard with diamond and onyx glass and stones.¹

Diamond Glass

Onyx Glass

Stone Kit

Sapphire Glass

Bronze Glass

Glass Firebed – Once you add the contemporary conversion kit, you can change the look with additional glass options.¹

Controls

IntelliFire App – All the features of a remote control with an app installed on your smart device. Monitor your fire from anywhere or even control it with the sound of your voice. IntelliFire is compatible with voice assistants Amazon Alexa and Google Assistant.

Touchscreen Remote – Features: on/off, flame height adjustment, fan speed, lights adjustment, thermostat mode, room temperature readout, child lock, timer mode, battery backup, cold climate mode, power vent, wall docking station (fan, lights and power vent are dependent on your fireplace).

Wireless Wall Switch – Features: on/off, battery strength indicator, cold climate mode

Mantel Systems – Visit majesticproducts.com for a variety of options and additional information on mantel systems, shelves and stone surrounds.

Quartz 42 shown with fade-resistant reflective black glass interior panels

Heat Management Solutions

Fan – Move heat directly into the room for added comfort.

Heat-Zone® Kit – Draw heat from your fireplace to another room in your home.

Install Virtually Anywhere

Power Venting – A fan-powered accessory with slim venting can zigzag throughout your home—install a gas fireplace virtually anywhere.

¹ Contemporary glass firebed available for 32" and 36" only.
