

With brushed nickel door overlay.

EVEREST II FIREPLACE

OB04016

Attractive, efficient and particularly ecological, the all-new Everest II is the ultimate addition to revive any living space. The classicism of its faceplate offers straight lines that suits any decor to enhance your family reunions, moments of relaxation or romantic evenings, in addition to being your best ally during the cold winter weather.

Made with care in Quebec, this easy-to-use non-catalytic wood fireplace has retractable cast iron double doors that you can enhance with a firescreen door to fully experience the crackle of the wood fire. A black or brushed nickel overlay is available for your convenience.
