We understand how important it is to create a one of a kind gift for your loved ones or for yourself. To make sure we get the colors/details right we ask that you please email us a description of the custom piece you had in mind, including any details about the person (our yourself) receiving the gifts. We recommend using 5 for less colors.

Tell us what type of material you would like your bracelets, etc to include:

Small Glass Beads	
LG Glass Beads	
Poly Clay Beads	
Gold Metallic Beads	
Silver Metallic Beads	
Gemstone Beads	
Plastic Letter Beads	
Glass Letter Beads	
Any Charms	

To help make sure the cost of your bracelet/piece fits your budget and your vision, please select the type of material you would like a quote on. Please know that the size, color, and material all effect the cost of the beads.
