

## LION 100™ SOLAR PANEL

We provide portable power that is safe, silent and renewable. It gives you peace of mind in emergencies and power for your work and play anytime, anywhere.

### SAFE

The Lion Solar Panel produces no emissions - none. It has no carbon footprint during use, emits no greenhouse gases and causes no damage to the environment.

### SILENT

The Lion Solar Panel has silent power allowing for an undisturbed work and play environment while charging Lion Power units.

### RENEWABLE

The Lion Solar Panel is part of our pride of products that creates clean, limitless, renewable energy sources to power your life. It's designed to recharge other units through a renewable source - the sun.

## LIFE ON YOUR TERMS

- Freedom to go and power your life
- Be prepared for any emergency
- Power your work anytime, anywhere
- Portable, renewable energy

## BENEFITS
