

LION SAFARI ME™

Introducing the fastest **SOLAR GENERATOR** around – faster than a speeding bullet or a Tesla on the Autobahn! It can be fully charged in just under 90 minutes, allowing you to use its power without running out of power.

At Lion Energy, we provide portable power that is safe, silent and renewable. It gives you peace of mind for emergencies and power for your work and play anytime, anywhere.

SAFE

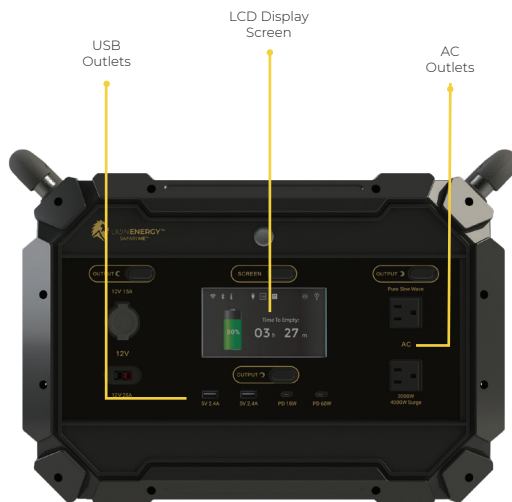

The Lion Safari ME produces no emissions - none. It has no carbon footprint during use, emits no greenhouse gases and causes no damage to the environment. It's even safe enough to use indoors.

SILENT

The Lion Safari ME is whisper quiet. Silence is golden, so is the ME.

RENEWABLE

The Lion Safari ME unit is part of our pride of products that creates clean, limitless, renewable energy sources to power your life. Add an optional solar panel to harness the power of the sun.

OPTIONAL EXPANSION PACK

Sold separately, this expansion gives you 3x the storage capacity of the battery inside the main Lion Safari ME solar generator.

Dims: 16.7 x 9.6 x 9.8 **Weight:** 44 lbs **Charge Retention:** Up to 2 Years
Minimum Charge Time with Main Unit: 4.5 hours **Cycle Life:** 3,500+

FAST SOLAR GENERATOR

- Use all day without running out of power
- Power for emergencies, work or play
- Portable, renewable energy

BENEFITS

Faster Charge Time • Can fully charge from the wall in as little as 83 minutes

Renewable Solar Generator • Use the power of the sun to fully recharge the ME in as little as 95 mins so you can use power without running out of power

Long Charge Retention • Can hold charge for 1 year

Extended Use • Long lasting daily use at 2000+ cycles using full Depth of Discharge (DOD)

Expandable for More Energy • Optional expansion pack that gives you 3x the stored energy and optional solar panel(s) to charge from the sun.

Multiple Outputs • Plug almost any device into it using AC, USB or 12V

Environmentally Friendly • Zero Emissions, no carbon footprint during use

Easy to Transport • Convenient carrying handles and light weight

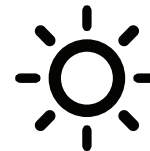

Power to Spare • Initial 4000W Surge for that extra power need and has pass through power mode

Box Dimensions: 18.7 x 12.8 x 12.8
 Weight: 45.5 lbs

LION SAFARI ME™

2 x's the life cycle as the leading competition.

Re-charge with renewable sources like the sun in as little as 90 mins for continuous, nearly limitless power.

AC Pass Through power mode and expandability to fit personal needs.

Charges so fast with solar, you can use the Safari ME™ all day and never run out of power.

*Max solar panels in direct sunlight

“Fantastic power system.. I use it to run my fridge.”

- Marcus, UT

“Service from the company is impeccable!”

- Tony, AZ

“Gives me peace of mind when the power goes out.”

- Taryn, OR
